### Message from the Guest Editor

Dear Colleagues,

This year marks the 10th anniversary of the open access MDPI journal *Biomolecules*. To celebrate this important occasion, we are delighted and proud to celebrate with a series of Special Issues and events.

To mark this important milestone, a Special Issue entitled **“10th Anniversary of *Biomolecules*—Recent Advances in Peptide and Protein Therapeutics”** is being launched. This Special Issue will collect research articles and high-quality review papers in the research fields relating to peptide and protein therapeutics. We kindly encourage research groups working in various areas of Peptide and Protein Therapeutics to make contributions to this Special Issue.
