

biosensors

Dear Colleagues,

We are pleased to announce that *Biosensors* will be awarding one Travel Award to a junior scientist. The applications will be assessed by an Evaluation Committee, which consists of senior scholars from the *Biosensors* Editorial Board.

2023 TRAVEL AWARD

FOR POSTDOCTORAL FELLOWS OR PHD STUDENTS

This award provides financial support for the winners to attend an international conference in the field of biosensing to be held in 2023, in order to hold a presentation, present a poster, or both.

Candidate Requirements:

- Postdoctoral fellows or Ph.D. students;
- Plans to attend an international conference in 2023 (oral presentation or poster).

Required Application Documents:

- a. Information of the conference the applicant is planning to attend and the abstract that will be submitted;
- b. Curriculum Vitae and list of publications;
- c. Justification letter describing the focus of the research (max. 800 words);
- d. Letter of recommendation from the supervisor, research director, or department head, which also confirms the applicant's status as a postdoctoral fellow/Ph.D. student.

The winner will be awarded CHF 800 and an electronic certificate.

Please submit your applications for the *Biosensors* 2023 Travel Award online by 31 October 2022.

Prizes will be awarded at the end of December 2022 and announced on the *Biosensors* website.
