

Microenvironment and Cancer Progression 2.0

Guest Editor:

Prof. Dr. Jurgen Dittmer

Clinic for Gynecology, University
of Halle-Wittenberg, 06120 Halle,
Germany

Deadline for manuscript
submissions:

closed (30 June 2023)

Message from the Guest Editor

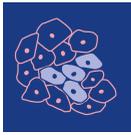

Dear Colleagues,

This Special Issue is the second edition of a previous release, “Microenvironment and Cancer Progression” (https://www.mdpi.com/journal/cancers/special_issues/microenv)

This Special Issue, “Microenvironment and Cancer Progression 2.0”, aims to pool knowledge on the different mechanisms by which the cancer microenvironment modulates cancer cell behavior in primary as well as in metastatic cancer lesions. All scientists working in this field are cordially invited to submit their manuscripts.

Prof. Dr. Jurgen Dittmer
Guest Editor

an Open Access Journal by MDPI

Message from the Editor-in-Chief

Cancers (ISSN 2072-6694) is an international, online journal addressing both clinical and basic science issues related to cancer research. The journal will continue its open access format, which will certainly evolve to ensure that the journal takes full advantage of the rapidly changing world of information and knowledge dissemination. It publishes high-quality clinical, translational, and basic science research on cancer prevention, initiation, progression, and treatment, as well as other related topics, particularly to capture the most seminal studies in the rapidly growing area of immunology, immunotherapy, and tumor microenvironment.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (Oncology) / CiteScore - Q1 (Oncology)
