

## Special Issue

# Updates on Depression Among Cancer Patients (2nd Edition)

### Message from the Guest Editors

This Special Issue is the second edition of a previous one, entitled "Updates on Depression Among Cancer Patients "

([https://www.mdpi.com/journal/cancers/special\\_issues/PDXZC404CQ](https://www.mdpi.com/journal/cancers/special_issues/PDXZC404CQ)). This Special Issue aims to provide a comprehensive update on the topic of depression among cancer patients. It seeks to explore the latest research, advancements, and insights into understanding and managing depression in individuals diagnosed with cancer. By bringing together experts and researchers in the field, this Special Issue aims to shed light on the complex relationship between cancer and depression, contributing to improved patient care and mental health outcomes.

## About the Journal

### Message from the Editor-in-Chief

*Cancers* (ISSN 2072-6694) is an international, online journal addressing both clinical and basic science issues related to cancer research. The journal will continue its open access format, which will certainly evolve to ensure that the journal takes full advantage of the rapidly changing world of information and knowledge dissemination. It publishes high-quality clinical, translational, and basic science research on cancer prevention, initiation, progression, and treatment, as well as other related topics, particularly to capture the most seminal studies in the rapidly growing area of immunology, immunotherapy, and tumor microenvironment.
