Editorial Board Members' Collection Series: Catalytic and Photocatalytic Membrane Reactors

Message from the Guest Editors

We are pleased to announce this Special Issue titled "Editorial Board Members' Collection Series: Catalytic and Photocatalytic Membrane Reactors". This issue will comprise a collection of research papers invited by the Editorial Board members with the aim of covering all aspects of hybrid catalytic and photocatalytic membrane systems. To this end, we are inviting the submission of experimental and theoretical contributions within the scope of this Special Issue, including original research papers, short communications, and review articles. All papers will be fully open access upon publication after completing peer review.
