

chemistry

Dear Colleagues,

We are pleased to announce that *Chemistry* will be awarding a Travel Award 2023 to junior scientists. The applications will be assessed by an Evaluation Committee consisting of senior scholars from the *Chemistry* Editorial Board.

This award provides financial support for the winner to attend an international conference in the field of Chemistry to be held in 2023, in order to hold a presentation, present a poster, or both.

2023 TRAVEL AWARD

FOR POSTDOCS AND PHD STUDENTS

Candidate Requirements:

- Postdoctoral fellows or PhD students;
- Plans to attend an international conference in 2023 (oral presentation or poster).

Required Application Documents:

- Information regarding the conference the applicant is planning to attend and the abstract that will be submitted;
- Curriculum vitae and list of publications;
- Justification letter describing the focus of the research (max. 800 words);
- Letter of recommendation from the supervisor, research director, or department head, which also confirms the applicant's status as a postdoctoral fellow/PhD student.

One winner (awardee) will be awarded CHF 500 for a virtual conference or CHF 800 for a physical conference, as well as a certificate and an offer to publish one manuscript in *Chemistry* free of charge by the end of 2023.

Please submit your applications for the *Chemistry* 2023 Travel Award online by 31 January 2023. Prizes will be announced in mid-March 2023 on the *Chemistry* website.
