Reviews on Current Advances in Child Neurology

Message from the Guest Editor

Comprehensive up-to-date reviews are sought from experts in the field on topics on current practice and emergent treatments in pediatric neurology. We look forward to receiving your contribution to this Special Issue, which will provide valuable insights into all aspects of current trends in child neurology.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article or comprehensive review for consideration and publication in *Children* (ISSN 2227-9067). *Children* is an open access journal—research articles, reviews, and other content are published online immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. The journal focuses on sharing clinical, epidemiological, and translational science relevant to children's health. We would be pleased to welcome you as one of our authors.
