Urban Climate, Air Pollution, and Public Health

Message from the Guest Editors

Dear Colleagues,

This Special Issue, edited by Healthy-Polis International Consortium for Urban Environmental Health and Sustainability (www.healthy-polis.org), aims to explore the complex interactions between urban climate, air pollution and public health in cities around the world. Papers published so far, include:

- James Milner, Ben Armstrong, Mike Davies, Ian Ridley, Zaid Chalabi, Clive Shrubsole, Sotiris Vardoulakis, Paul Wilkinson. An Exposure-Mortality Relationship for Residential Indoor PM2.5 Exposure from Outdoor Sources. doi:10.3390/cli5

Guest Editors:

Prof. Sotiris Vardoulakis
Institute of Occupational Medicine, Edinburgh, United Kingdom
