Exclusive Papers Collection of Editorial Board Members of Corrosion and Materials Degradation 2023

Message from the Guest Editor

I am pleased to announce this Special Issue, entitled "Exclusive Papers Collection of Editorial Board Members of Corrosion and Materials Degradation 2023". This Special Issue will be a collection of high-quality papers from Editorial Board Members and invited scholars. Both original research articles and comprehensive review papers are welcome, addressing current critical issues in corrosion. All papers will be published in full open access after successful peer review.
