

# *coatings*

Dear Colleagues,

To acknowledge all those who have generously dedicated their time and effort to review manuscripts submitted to *Coatings*, on behalf of the Editor-in-Chief, Dr. Alessandro Lavacchi, we are pleased to announce the launch of the **Coatings Outstanding Reviewer Award 2019**. We have created this award to recognize those who have exhibited dedication, professionalism, and timeliness when reviewing manuscripts. Anonymous peer reviewing helps ensure the quality and integrity of scholarly communication. The *Coatings* Editorial Office is extremely grateful to reviewers for the time and energy that they dedicate to peer reviews.

## 2019 OUTSTANDING REVIEWER AWARD

### **Eligibility Requirements:**

- All reviewers for *Coatings* who are active in 2019 will be considered automatically.

### **Evaluation Standards:**

- The number and quality of reviews will be taken into consideration.

### **Prizes:**

Three awardees will be selected for 2019, and each will receive the following:

- A certificate;
- 500 CHF (Swiss Francs).

### **Announcement of the Winners:**

- The winners will be announced on the journal website at the end of **February 2020**.

### **Becoming a Reviewer:**

- For those of you who are experts in coatings or a related field, and have not yet reviewed papers for *Coatings* but would like to, you can easily register as a reviewer at <https://susy.mdpi.com/volunteer/profile/edit>.
