

## Special Issue

# Exclusive Papers of the Editorial Board Members of Colloids and Interfaces 2024– 2026

### Message from the Guest Editors

This Special Issue of *Colloids and Interfaces* is dedicated to recent advances in the various research areas of colloids and interfaces and comprises a diverse selection of exclusive papers of the Editorial Board Members (EBMs) of this journal. The focus of this Special Issue is on highlighting recent interesting investigations conducted in the laboratories of our journal's EBMs. It represents our young journal as an attractive open access publishing platform for research in the field of colloids and interfaces.

## About the Journal

### Message from the Editor-in-Chief

We would like to introduce you to an emerging and rapidly-developing international open-access journal, *Colloids and Interfaces*, covering all aspects of colloid and interface science. This journal aims to efficiently publish peer-reviewed articles over the internet free of charge to the worldwide community. Original as well as review papers are encouraged. We will also publish Special Issues as proceedings of scientific conferences and workshops as well as those dedicated to particular contemporary themes. On behalf of our distinguished editorial board, we welcome your contributions.
