Dear Colleagues,

We are pleased to announce the “*Computation* 2020 Best Paper Awards” for research and review articles published in *Computation* from 1 January 2020 to 31 December 2020. Two papers will each receive an award. The papers will be selected after a thorough evaluation by the journal Award Committee led by the EiC, and the winners will be announced in March 2022.

2020 BEST PAPER AWARDS FOR RESEARCH AND REVIEW ARTICLES

Eligibility for the Awards:

- Papers published in *Computation* from 1 January 2020 to 31 December 2020 will be considered;
- The awards are open to researchers at all career levels;
- Both regular and Special Issue submissions will be considered.

Selection Criteria:

The papers will be selected by the journal Award Committee according to the following criteria (data source: Web of Science (Clarivate Analytics)):

- Scientific merit and broad impact;
- Originality of the research objectives and/or the ideas presented;
- Creativity of the study design or uniqueness of the approaches and concepts;
- Clarity of presentation;
- Citation and download rates in 2021.

Prizes:

- The award will consist of 500 Swiss Francs and a certificate. In addition, each winner will be given the opportunity to publish a paper free of charge in *Computation* in 2022, after the normal peer-review procedure.

The winners will be announced on the journal website in March 2022.

Kind regards,
Computation Editorial Office
