## **Special Issue**

# Experiments/Process/System Modeling/Simulation/Optimization (IC-EPSMSO 2025)

Message from the Guest Editor

The 11th International Conference on Experiments/Process/System Modeling/Simulation/Optimization (11th IC-EpsMsO) was held in Athens, Greece, from July 2nd to July 5th, 2025. For more information about the conference, please visit the conference website at https://lfme.gr/icepsmso/. Selected papers presented at the conference and included in the conference proceedings will be considered for inclusion in this Special Issue. The authors of the selected papers will be notified by the Conference Chairman, in due time, to submit their papers to this Special Issue of the journal *Computation*, at the latest by 31 December 2025, if they so wish. Submitted papers may be extended from their conference size to include new results, if any. All submitted papers will undergo the journal's standard peer-review procedure. Accepted papers will be published in open access format in Computation and

### **About the Journal**

#### Message from the Editor-in-Chief

You are invited to submit the results of your research for consideration and publication in *Computation*, an international open access journal, which is published monthly online by MDPI.

The editorial board and staff of *Computation* are dedicated to establishing a benchmark journal for the world scientific and engineering communities for original research articles, reviews, conference proceedings (i.e., peer reviewed full articles), and communications, in the cutting-edge areas of computational biology, computational chemistry, computational social science and computational engineering.

#### Editor-in-Chief

#### Prof. Dr. Ali Cemal Benim

Center of Flow Simulation (CFS), Department of Mechanical and Process Engineering, Duesseldorf University of Applied Sciences, D-40476 Duesseldorf, Germany

#### **Author Benefits**

#### **High Visibility:**

indexed within Scopus, ESCI (Web of Science), CAPlus / SciFinder, Inspec, dblp, and other databases.

#### **Journal Rank:**

JCR - Q2 (Mathematics, Interdisciplinary Applications) / CiteScore - Q1 (Applied Mathematics)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.7 days after submission; acceptance to publication is undertaken in 5.6 days (median values for papers published in this journal in the first half of 2025).
