Frascati, Frascati, Roma, Italy  
fabrizio.napolitano@lnf.infn.it

Deadline for manuscript  
submissions:

**15 October 2023**

### Message from the Guest Editors

In the wake of the success of the 2018 and 2021 editions, a Special Issue for the High Precision X-ray Measurements 2023 (HPXM2023) conference, to be held at the INFN Laboratories of Frascati in June 2023, is foreseen. The scope of this Special Issue is to provide all researchers in X-ray-related fields with the most recent developments in X-ray detection technologies and their impacts on various sectors, such as nuclear physics, astrophysics, quantum physics, XRF, XES, EXAFS, PIXE, plasma emission spectroscopy, monochromators, synchrotron radiation, radioprotection, telescopes and space engineering, medical applications, food and beverage quality control, and elemental mapping.

This Special Issue will not only include works reflecting the authors' contributions to HPXM2023, but will also be open to all possible researchers who plan to contribute such a review project.

an Open Access Journal by MDPI

## Editor-in-Chief

00185 Roma, Italy

## Message from the Editor-in-Chief

Welcome to *Condensed Matter* (ISSN 2410-3896)! It gives me great pleasure to invite you to publish in the journal. We are looking to build a collection of high quality research articles, supported by a community from across the field of condensed matter physics. In this task, I will be assisted by a highly qualified editorial board. We accept papers on basic research as well as applications, and experimental or theoretical work. Currently the journal is indexed by ESCI (Web of Science) and hope you can consider *Condensed Matter* as an exceptional home for your manuscript.

## Author Benefits

**Open Access:**— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [ESCI \(Web of Science\)](#), [Inspec](#), [CAPlus / SciFinder](#), and [other databases](#).

**Rapid Publication:** manuscripts are peer-reviewed and a first decision is provided to authors approximately 17.8 days after submission; acceptance to publication is undertaken in 3.9 days (median values for papers published in this journal in the second half of 2022).
