

# Special Issue

## Skin Anti-Aging Strategies

### Message from the Guest Editor

This Special Issue of *Cosmetics* is the perfect home for your original paper, review, or communication on past and future trends and strategies in the field of skin anti-aging research and development. It can contain reports on molecular pathways, biochemical mechanisms, as well as human studies and applications such as innovative formulations and devices. We are looking forward to receiving your submissions.

## About the Journal

### Message from the Editor-in-Chief

*Cosmetics* is an international, scientific, open access journal on the science and technology of cosmetics, published by MDPI online quarterly. Original articles, reviews and other acceptance. The scientific community and the general public can unlimitedly access the content free of charge as soon as it is published. As a new journal, the publication fees are fully waived for papers submitted to *Cosmetics* in 2017. We would be pleased to welcome you as one of our authors.

---

### Editor-in-Chief

Prof. Dr. Enzo Berardesca  
Department of Dermatology and Cutaneous Surgery, University of  
Miami, Miami, FL 33136, USA
