

Special Issue

Aesthetic and Cosmetic Dermatology

Message from the Guest Editors

Cosmetic surgery and aesthetic procedures have become a billion dollar industry owing to the rising demand of the population to stay young. They are becoming increasingly popular across all sections of the population. Due to ever-growing number of submissions in this field, the editors of *Cosmetics* have set up an Issue dedicated to this field. For this Special Issue, we invite research articles on various aspects of cosmetic and aesthetic dermatology.
