Biliary Tract Cancer Updates: Advancements and Insights

Message from the Guest Editor

Welcome to the inaugural edition of “Biliary Tract Cancer Updates: Advancements and Insights”. Biliary tract cancers, encompassing malignancies of the bile ducts, gallbladder, and ampulla of Vater, present formidable challenges in diagnosis, treatment, and management. With this Special Issue, we aim to bridge the gap between scientific discoveries and clinical practice by providing comprehensive updates on the latest developments in biliary tract cancer research and practice. Moreover, “Biliary Tract Cancer Updates” serves as a collaborative platform for researchers, clinicians, pathologists, and allied healthcare professionals to contribute to the collective knowledge base in this specialized field. We invite submissions from researchers and clinicians across diverse disciplines to contribute their original research, clinical insights, and perspectives to this Special Issue. Together, let us explore new horizons and pave the way for groundbreaking advancements in patient care.

Thank you for joining us on this journey of discovery and innovation in the fight against biliary tract cancers!

Warm Regards,

Guest Editor

Dr. Kristen R. Spencer

About the Journal

Message from the Editor-in-Chief

I am honored and enthusiastic to serve as Editor-in-Chief of *Current Oncology*. Since its establishment in 1994, *Current Oncology* has been playing an important role in the advancement of cancer care by disseminating new knowledge in the cancer care continuum. *Current Oncology* is affiliated with several key cancer societies and provides a global platform to share scientific progress in oncology. We strive for high standards and work together to maintain a rigorous and unbiased peer review process to publish high-quality articles. We have an outstanding editorial team which is committed to the success of *Current Oncology*.

Editor-in-Chief

Prof. Dr. Shahid Ahmed
