About the Journal

Message from the Editor-in-Chief

Drugs and Drug Candidates is an open access initiative of MDPI (Basel, Switzerland). Do you wish to share your knowledge on marketed or newly approved drugs for human or veterinary use? Do you wish to disseminate your recent results on the search for novel promising drug candidates? Our journal, animated by a young and dynamic team, is the ideal platform! Your submission, carefully followed by an academic editor, will be peer-reviewed by experts in the field of the work and a first decision will be notified within no more than two weeks. Involved in drug design, drug synthesis, drug evaluation, or drug market, *Drugs and Drug Candidates* is of worthy recognition and value.

I look forward to handling your contributions in the very near future. Should you need any information, do not hesitate to contact us.

Editor-in-Chief

Dr. Jean Jacques Vanden Eynde

Formerly Head, Department of Organic Chemistry (FS), University of Mons-UMONS, 7000 Mons, Belgium

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 15 days after submission; acceptance to publication is undertaken in 4.7 days (median values for papers published in this journal in the first half of 2025).

Recognition of Reviewers:

APC discount vouchers, optional signed peer review, and reviewer names published annually in the journal.
