### **Message from the Guest Editor**

The "International Conference on Dentistry and Oral Health" (ICD 2018) will provide a dedicated platform for early career clinicians and researchers, clinicians from private and general dental practice, established academics and scientists from university and industry to meet, discuss and share the knowledge relevant to the field of dentistry and oral health. There will be a series of talks, poster presentations, workshops, discussions and networking events which will enable participants to engage in updating their understanding on relevant dental topics, as well as establishing new contacts for possible future collaboration.

The Organizer of the conference, together with MDPI, have agreed to produce a joint Special Issue "Selected Papers from 2nd International Conference on Dentistry and Oral Health ICD 2018" in *Dentistry Journal*. Authors are invited to submit the extended versions of their original papers and contributions based on submitted presentations at the conference.

an Open Access Journal by MDPI
