

Special Issue

Feature Papers in Restorative Dentistry, Endodontology and Traumatology

Message from the Guest Editor

It is our great pleasure to announce that *Dentistry Journal* (ISSN: 2304-6767) has received its first Impact Factor of 2.6, released in June 2023. To celebrate this wonderful achievement, as the Section Editor-in-Chief of the "Restorative Dentistry and Traumatology" Section in *Dentistry Journal*, I am glad to announce this Special Issue on "Feature Papers in Restorative Dentistry, Endodontology and Traumatology", to publish top-quality papers. Papers could be both long research papers and review papers highlighting the latest developments in restorative dentistry, endodontology, and traumatology topics. We encourage researchers to contribute papers and invite relevant experts to also do so. Potential topics include, but are not limited to:

- restorative dentistry
- dental traumatology
- endodontology
- esthetic dentistry
- operative dentistry
- composite resins
- dental materials

About the Journal

Message from the Editor-in-Chief

The *Dentistry Journal* (ISSN 2304-6767) is an official, peer-reviewed publication of MDPI, which transmits original papers as well as review articles from the entire field of dentistry to the scientific community. The *Dentistry Journal* supports scientific innovations, and clinical and experimental research within the whole field of dentistry and its related areas. The *Dentistry Journal* in particular supports interdisciplinary and translational studies. The *Dentistry Journal* provides a unique opportunity to contribute high quality articles and to take advantage of its large readership.

Editor-in-Chief

Prof. Dr. Claude Jaquiéry

Department for Cranio-Maxillo-Facial Surgery, University Hospital
Basel, Spitalstrasse 21, CH-4031 Basel, Switzerland

Author Benefits

High Visibility:

indexed within Scopus, ESCI (Web of Science), PubMed, PMC, and other databases.
