

Special Issue

Dental Disease Research in the USA

Message from the Guest Editor

This Special Issue, titled “Dental Disease Research in the USA”, in the *Dentistry Journal* aims to gather cutting-edge research and reviews on specific topics within the field of dentistry in the USA. This initiative seeks to build a community of authors and readers who are passionate about advancing dental science and clinical practice. By focusing on specialized themes, the Special Issue provides a platform for discussing the latest research findings, developing new ideas, and exploring innovative research directions.

About the Journal

Message from the Editor-in-Chief

The *Dentistry Journal* (ISSN 2304-6767) is an official, peer-reviewed publication of MDPI, which transmits original papers as well as review articles from the entire field of dentistry to the scientific community. The *Dentistry Journal* supports scientific innovations, and clinical and experimental research within the whole field of dentistry and its related areas. The *Dentistry Journal* in particular supports interdisciplinary and translational studies. The *Dentistry Journal* provides a unique opportunity to contribute high quality articles and to take advantage of its large readership.

Editor-in-Chief

Prof. Dr. Claude Jaquiéry

Department for Cranio-Maxillo-Facial Surgery, University Hospital
Basel, Spitalstrasse 21, CH-4031 Basel, Switzerland
