

## Special Issue

# Exclusive Papers Collection of Editorial Board Members in Diabetology

### Message from the Guest Editor

It is our pleasure to announce the launch of a featured Special Issue under the title, “Exclusive Papers Collection of Editorial Board Members in Diabetology”. This Special Issue will be a collection of high-quality papers from only the Editorial Board Members of *Diabetology*. Both original research articles and comprehensive review papers are welcome. The papers will be published free of charge and with full open access after peer review. We strongly believe that this proposal may represent a good opportunity for the Editorial Board Members of the *Diabetology* journal to learn about each other’s research interests and, at the same time, promote the journal with high-quality publications.

### Guest Editor

Dr. Sathish Thirunavukkarasu

Department of Family and Preventive Medicine, School of Medicine, Emory University, Atlanta, GA, USA

### Deadline for manuscript submissions

closed (31 December 2024)

---

#### Author Benefits

##### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

##### High Visibility:

indexed within ESCI (Web of Science), Scopus, EBSCO, and other databases.

##### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 26.3 days after submission; acceptance to publication is undertaken in 5.8 days (median values for papers published in this journal in the first half of 2025).
