The Role of Image and Genetic Diagnostics in Maternal-Fetal Medicine and Human Reproduction

Message from the Guest Editor

Both image and genetics are important modalities to elucidate disease entities and complex clinical scenarios in the field of maternal-fetal medicine and human reproduction. This year 2022 marks the 200th anniversary of the birth of Gregor Mendel (1822-1884), the founder of genetics, and the 35th year anniversary of the departure of the pioneer of obstetric ultrasound, Sir Ian Donald (1910-1987). We welcome all submissions related to using image modalities such as ultrasound, MRI, and others as well as using all available tools of genetics and genomics to study the complex pathophysiology of human fetuses and embryos.

Guest Editor

Prof. Dr. Ming Chen

About the Journal

Message from the Editor-in-Chief

You are cordially invited to submit research articles, short communications, comprehensive reviews, case reports or interesting images for consideration and publication in *Diagnostics* (ISSN 2075-4418). *Diagnostics* is published in open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Andreas Kjaer

Department of Clinical Physiology, Nuclear Medicine & PET National University Hospital, Rigshospitalet, University of Copenhagen, Blegdamsvej 9, DK-2100 Copenhagen, Denmark

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, Inspec, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q2 (Internal Medicine)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 21 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
