

## Special Issue

# New Trends in Prenatal Diagnosis

### Message from the Guest Editor

In short, the Special Issue of "New Trends in Prenatal Diagnosis" will comprehensively display the latest research results and technological innovations in the field of prenatal diagnosis, and will provide strong academic support and practical guidance for the development and application of prenatal diagnosis technology. We look forward to the active participation of experts and scholars in the field of prenatal diagnosis around the world, who will jointly promote the continuous advancement of prenatal diagnosis technology, making greater contributions to human health.
