

Special Issue

Advances and Challenges of Clinical Immunology

Message from the Guest Editor

This Special Issue, titled "Advances and Challenges of Clinical Immunology", delves into the latest scientific breakthroughs and persisting hurdles in the vibrant field of clinical immunology. It showcases cutting-edge research on immune system functions, autoimmune diseases, immunotherapy strategies, and translational applications, aiming at enhancing disease diagnosis, treatment, and prevention. Its scope encompasses novel insights into immune mechanisms, biomarker discovery, precision medicine approaches, and ethical and regulatory considerations surrounding immunological interventions. The contributions highlight both the promise and complexities of harnessing the immune system to combat disease, fostering interdisciplinary dialogue and pushing the boundaries of knowledge.

About the Journal

Message from the Editor-in-Chief

You are cordially invited to submit research articles, short communications, comprehensive reviews, case reports or interesting images for consideration and publication in *Diagnostics* (ISSN 2075-4418). *Diagnostics* is published in open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Andreas Kjaer
Department of Clinical Physiology, Nuclear Medicine & PET National
University Hospital, Rigshospitalet, University of Copenhagen,
Blegdamsvej 9, DK-2100 Copenhagen, Denmark

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, Inspec, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q2 (Internal Medicine)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 21 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
