Imaging in Musculoskeletal Disorders

Message from the Guest Editor

Musculoskeletal disorders are currently one of the fastest-growing areas in diagnostic radiology. We delve into the intricate world of diagnosing and understanding musculoskeletal conditions through the lens of advanced imaging techniques. This Special Edition explores the latest advancements in radiological imaging, including MRI, CT, and ultrasound, and their critical role in revealing the complexities of musculoskeletal diseases. We feature cutting-edge research, clinical case studies, and expert insights that highlight the evolving landscape of imaging in this field. Whether you're a radiologist, clinician, researcher, or simply interested in the intersection of technology and healthcare, this Special Edition offers a comprehensive overview of the exciting progress in imaging musculoskeletal disease.

About the Journal

Message from the Editor-in-Chief

You are cordially invited to submit research articles, short communications, comprehensive reviews, case reports or interesting images for consideration and publication in *Diagnostics* (ISSN 2075-4418). *Diagnostics* is published in open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Andreas Kjaer
Department of Clinical Physiology, Nuclear Medicine & PET National
University Hospital, Rigshospitalet, University of Copenhagen,
Blegdamsvej 9, DK-2100 Copenhagen, Denmark

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, Inspec, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q2 (Internal Medicine)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 21 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
