Acute Kidney Injury: Diagnosis and Management

Message from the Guest Editor

This Special Issue, titled "Acute Kidney Injury: Diagnosis and Management", provides a comprehensive exploration of the latest advancements and challenges in the field of acute kidney injury (AKI). It encompasses a range of articles that delve into the early detection methods, innovative diagnostic tools, and cutting-edge therapeutic strategies for managing AKI. Expert contributions highlight the importance of timely intervention, the role of biomarkers in predicting AKI progression, and the integration of multidisciplinary approaches to improve patient outcomes. Furthermore, the Special Issue addresses the economic and public health implications of AKI, fostering a deeper understanding of its global impact and the need for continued research and improvement in clinical practice.

About the Journal

Message from the Editor-in-Chief

You are cordially invited to submit research articles, short communications, comprehensive reviews, case reports or interesting images for consideration and publication in *Diagnostics* (ISSN 2075-4418). *Diagnostics* is published in open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Andreas Kjaer
Department of Clinical Physiology, Nuclear Medicine & PET National
University Hospital, Rigshospitalet, University of Copenhagen,
Blegdamsvej 9, DK-2100 Copenhagen, Denmark

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, Inspec, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q2 (Internal Medicine)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 21 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
