

## Special Issue

# Rett Syndrome and Other Neurodevelopmental Disorders: Diagnosis and Assessment

### Message from the Guest Editor

Rett syndrome is a neurodevelopmental disorder that affects girls almost exclusively. Symptoms include impairments in language and coordination and repetitive movements. Complications may include seizures, scoliosis, and sleeping problems. Other neurodevelopmental disorders, such as attention-deficit hyperactivity disorder, developmental coordination disorder, intellectual disability, autism spectrum disorder, and so on will also seriously affect human normal life and learning. This Special Issue will focus on the latest advances in the diagnosis and assessment of patients with neurodevelopmental disorders. We welcome researchers to submit their original research, comprehensive reviews, and other article types.

### Guest Editor

Prof. Dr. Meir Lotan

1. Israeli Rett Syndrome National Evaluation Team, Sheba Hospital, Ramat-Gan, Israel
2. Department of Physiotherapy, Ariel University, Ariel, Israel

### Deadline for manuscript submissions

closed (31 August 2023)

## About the Journal

### Message from the Editor-in-Chief

You are cordially invited to submit research articles, short communications, comprehensive reviews, case reports or interesting images for consideration and publication in *Diagnostics* (ISSN 2075-4418). *Diagnostics* is published in open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.

---

### Editor-in-Chief

Prof. Dr. Andreas Kjaer  
Department of Clinical Physiology, Nuclear Medicine & PET National  
University Hospital, Rigshospitalet, University of Copenhagen,  
Blegdamsvej 9, DK-2100 Copenhagen, Denmark

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, Inspec, CAPlus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q2 (Internal Medicine)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 21 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
