

Special Issue

Advancements in Maternal–Fetal Medicine: 2nd Edition

Message from the Guest Editor

The new Special Issue aims to improve the indicators of perinatal morbidity and mortality by publishing research conducted by specialists in maternal–fetal medicine.

The published articles will address topics related to the diagnosis and management of high-risk pregnancies, complications, and modern therapies in obstetrics. We invite you to continue researching maternal–fetal and obstetrical difficulties, from early pregnancy and placentation to prenatal diagnostics, fetal therapy, and maternal–fetal and obstetrical complications, by submitting original research articles, case studies, case reports, and reviews.

Guest Editor

Dr. Elena Bernad

Department of Obstetrics and Gynecology, University of Medicine and Pharmacy “Victor Babes”, 300001 Timisoara, Romania

Deadline for manuscript submissions

31 October 2025

About the Journal

Message from the Editor-in-Chief

You are cordially invited to submit research articles, short communications, comprehensive reviews, case reports or interesting images for consideration and publication in *Diagnostics* (ISSN 2075-4418). *Diagnostics* is published in open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Andreas Kjaer
Department of Clinical Physiology, Nuclear Medicine & PET National
University Hospital, Rigshospitalet, University of Copenhagen,
Blegdamsvej 9, DK-2100 Copenhagen, Denmark

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, Inspec, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q2 (Internal Medicine)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 21 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
