

Special Issue

Emergency Medicine: Diagnostic Insights

Message from the Guest Editors

This Special Issue will provide a comprehensive exploration of the latest advancements and challenges in diagnostic techniques within the field of emergency medicine. It will highlight the critical role of rapid and accurate diagnosis in ensuring prompt and effective patient care in emergency settings. This Special Issue will feature in-depth articles on innovative diagnostic tools and technologies, including imaging modalities, biomarkers, and AI-driven algorithms, which are transforming the diagnostic landscape of emergency medicine. Furthermore, we will present case studies and expert opinions on diagnostic strategies tailored to specific emergency conditions, providing valuable insights for healthcare professionals striving to improve patient outcomes in emergency care.

About the Journal

Message from the Editor-in-Chief

You are cordially invited to submit research articles, short communications, comprehensive reviews, case reports or interesting images for consideration and publication in *Diagnostics* (ISSN 2075-4418). *Diagnostics* is published in open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Andreas Kjaer
Department of Clinical Physiology, Nuclear Medicine & PET National
University Hospital, Rigshospitalet, University of Copenhagen,
Blegdamsvej 9, DK-2100 Copenhagen, Denmark

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, Inspec, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q2 (Internal Medicine)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 21 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
