

Special Issue

Exclusive Papers of the Editorial Board Members (EBMs) of Diseases

Message from the Guest Editor

This Special Issue of Diseases is dedicated to recent advances in human diseases research areas and comprises a diverse selection of exclusive papers of the Editorial Board Members (EBMs) of all Diseases Editorial Board Members. It focuses on highlighting recent interesting investigations conducted in the laboratories of our section's EBMs and represents our young section as an attractive open-access publishing platform for human diseases research data.

About the Journal

Message from the Editor-in-Chief

Diseases is an international, peer-reviewed, open access, multidisciplinary journal that focuses on the latest outstanding research concerning diseases and conditions. Research articles, reviews, and other contents are released on the Internet immediately after acceptance. This journal aims to cover international conferences and symposia as new targets.

Diseases is increasingly gaining acceptance and visibility within scholars, and after only a few years of life, *Diseases* is now also covering specific topics with dedicated special issues. We would be pleased to welcome you as one of our authors.

Editor-in-Chief
