## Feature Paper Special Issue for Editorial Board Members (EBMs) of Diseases

### Message from the Guest Editor

This Special Issue of *Diseases* is dedicated to recent advances in research areas in human diseases and comprises a diverse selection of exclusive papers of the Editorial Board Members (EBMs) of *Diseases*. It focuses on highlighting recent interesting investigations conducted in the laboratories of our section's EBMs and represents our young section as an attractive open-access publishing platform for human disease research data. ## About the Journal

### Message from the Editorial Board

*Diseases* is an international, peer-reviewed, open access, multidisciplinary journal that focuses on the latest outstanding research concerning diseases and conditions. Research articles, reviews, and other contents are released on the Internet immediately after acceptance. This journal aims to cover international conferences and symposia as new targets.

*Diseases* is increasingly gaining acceptance and visibility within scholars, and after only a few years of life, *Diseases* is now also covering specific topics with dedicated special issues. We would be pleased to welcome you as one of our authors.
