Message from the Guest Editor

Dear Colleagues,

This Special Issue is aimed at soliciting a collection of Forum papers discussing all aspects of ecological diversity from the author’s specific perspective: what is our today’s knowledge, what needs to be done, what are the most controversial points, etc.

All submitted papers are subject to ordinary peer-review, nonetheless the authors are encouraged to communicate their own ideas in an informal (though scholarly rigorous) colloquial style.

Dr. Carlo Ricotta

Message from the Editor-in-Chief

Diversity (ISSN 1424-2818) is a scholarly journal that covers all areas of diversity research. Our distinguished editorial board and refereeing process ensures the highest degree of scientific rigor for publishing. Original research articles and timely reviews are released online, with unlimited free access.

We invite papers and reviews on multidisciplinary topics of diversity that bridge organismic diversity (systematics, biodiversity, phylogeny, population genetics, and evolution) and molecular diversity (phytochemistry and biophysics).

Author Benefits

Open Access:—free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: Covered in the [Science Citation Index Expanded \(SCIE\)](#) in Web of Science, as well as in [BIOSIS Previews](#), [Scopus](#) and [other databases](#).

CiteScore 2019 (Scopus data): 1.7, which equals rank 34/75 (Q2) in the category 'Agricultural and Biological Sciences (miscellaneous)', 196/370 (Q2) in 'Ecology', 23/31 (Q3) in 'Ecological Modelling' and 82/160 (Q2) in 'Nature and Landscape Conservation'.
