

Special Issue

Feature Papers for Celebrating the tenth Founding Year of Diversity

Message from the Guest Editor

This Special Issue is designed to celebrate the tenth anniversary of the founding of the open access journal Diversity. The Special Issue covers all topics related to organismic and molecular diversity. Research fields of interest include but are not limited to organismic diversity and diversity preservation, molecular evolution, phylogeny and phylogeography, phytochemical diversity and ecology. Manuscripts for this important Special Issue of Diversity will be accepted by the editorial office, the Editor-in-Chief and editorial board members by invitation only.

Guest Editor

About the Journal

Message from the Editor-in-Chief

Diversity (ISSN 1424-2818) is a scholarly journal that covers all areas of diversity research. Our distinguished editorial board and refereeing process ensures the highest degree of scientific rigor for publishing. Original research articles and timely reviews are released online, with unlimited free access.

We invite papers and reviews on multidisciplinary topics of diversity that bridge organismic diversity (systematics, biodiversity, phylogeny, population genetics, and evolution) and molecular diversity (phytochemistry and biophysics).

Editor-in-Chief

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubAg, GEOBASE, CAPus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Biodiversity Conservation) / CiteScore - Q1
(Agricultural and Biological Sciences (miscellaneous))

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 18.3 days after submission; acceptance to publication is undertaken in 4.4 days (median values for papers published in this journal in the second half of 2024).
