

## Special Issue

# Animal Diversity Hot Topics in 2025

### Message from the Guest Editor

We are pleased to announce that Section “Animal Diversity” is now compiling a collection of papers submitted by researchers from all around the world. Papers concerning wild animal diversity, from evolution to phylogeny, adaptation, and conservation, are all welcome. The purpose of this Special Issue is to publish the most exceptional, insightful, influential, and original research articles or reviews in this field. We expect these papers will be widely read and highly influential within the field. All the papers in this Special Issue will be collated into a printed book after the deadline. We are looking forward to reading your hot topics.

## About the Journal

### Message from the Editor-in-Chief

*Diversity* (ISSN 1424-2818) is a scholarly journal that covers all areas of diversity research. Our distinguished editorial board and refereeing process ensures the highest degree of scientific rigor for publishing. Original research articles and timely reviews are released online, with unlimited free access.

We invite papers and reviews on multidisciplinary topics of diversity that bridge organismic diversity (systematics, biodiversity, phylogeny, population genetics, and evolution) and molecular diversity (phytochemistry and biophysics).
