

## Special Issue

# Selected Papers from International Eurasian Ornithology Congress (IEOC 2023)

### Message from the Guest Editors

The VII. International Eurasian Ornithology Congress (IEOC 2023) will be held on 18–21 October 2023 in Izmir, Turkey, and selected papers will be published in this Special Issue. The aim of this conference is to bring together ornithologists and birdwatchers in general to create a platform for knowledge exchange and to discuss academic and applied problems and their solutions. This congress welcomes everybody who cares about nature, particularly ornithology and bird evolution. This Special Issue will cover subject areas including, though not limited to, the following:

- Behavior;
- Bird strikes and aircraft safety;
- Climate change;
- Collision with obstacles;
- Conservation;
- Ecology;
- Evolution;
- Migration;
- Parasitology;
- Phylogeography and phylogeny;
- Wildlife management;
- Other related topics.

We believe that this Special Issue can provide a broad overview of current avian research and we look forward to the contributions from IEOC 2023.

## About the Journal

### Message from the Editor-in-Chief

*Diversity* (ISSN 1424-2818) is a scholarly journal that covers all areas of diversity research. Our distinguished editorial board and refereeing process ensures the highest degree of scientific rigor for publishing. Original research articles and timely reviews are released online, with unlimited free access.

We invite papers and reviews on multidisciplinary topics of diversity that bridge organismic diversity (systematics, biodiversity, phylogeny, population genetics, and evolution) and molecular diversity (phytochemistry and biophysics).
