# **Special Issue**

# Planktonic Food Web: Feeding, Growth, and Trophic Interactions

### Message from the Guest Editor

For this Special Issue on "Planktonic Food Web: Feeding, Growth, and Trophic Interactions", we invite submissions that address all aspects of planktonic food web in marine and freshwater habitats and provide a platform to highlight new research that adds to our knowledge of aquatic microbiology, especially as it relates to: i) the dynamics, distribution, growth, grazing, and diversity of zooplankton, phytoplankton, and microbes in the microbial loop; ii) microbes as trophic links in food webs and role of microbes on biogeochemical processes; and iii) the effects of environmental variation (e.g., temperature) on planktonic food web. We look forward to reading your submissions.

### **About the Journal**

#### Message from the Editor-in-Chief

Diversity (ISSN 1424-2818) is a scholarly journal that covers all areas of diversity research. Our distinguished editorial board and refereeing process ensures the highest degree of scientific rigor for publishing. Original research articles and timely reviews are released online, with unlimited free access.

We invite papers and reviews on multidisciplinary topics of diversity that bridge organismic diversity (systematics, biodiversity, phylogeny, population genetics, and evolution) and molecular diversity (phytochemistry and biophysics).

#### Editor-in-Chief

Prof. Dr. Michael Wink

Institute of Pharmacy and Molecular Biotechnology, Heidelberg University, Im Neuenheimer Feld 329, D-69120 Heidelberg, Germany

#### **Author Benefits**

#### **High Visibility:**

indexed within Scopus, SCIE (Web of Science), PubAg, GEOBASE, CAPlus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q2 (Biodiversity Conservation) / CiteScore - Q1 (Agricultural and Biological Sciences (miscellaneous))

### **Rapid Publication:**

manuscripts are peer-reviewed and a first decision is provided to authors approximately 17.1 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the first half of 2025).
