Selected Papers from the International Conference on Sustainable Development 2017, September 18–20, 2017 New York, USA

Message from the Guest Editor

The International Conference on Sustainable Development 2017 (ICSD 2017), organized by the Global Master's in Development Practice (MDP) and Sustainable Development Solutions Network (SDSN), will be held in New York City, September 18–20, hosted by the Earth Institute, Columbia University and their Center for Sustainable Development. The meeting will bring together students worldwide, topic scientists, and world leaders to provide a platform for exchanging ideas in sustainable development. This Special Issue will host contributions to the conference related to sustainable growth, development economics, political economics, natural resources, poverty and inequality, or in a wider economic aspect. We kindly invite you to participate to this Special Issue.
