## Industrial Education

### Message from the Guest Editors

Although industrial education plays a pivotal role in the economic development of modern society, with the continuous development of modern industry, a new era of information communication technology has arisen. In the face of rapid technological and economic changes and the fading of traditional industries, technical and industrial education needs to change accordingly, which makes it necessary to understand changes in industrial education and the status and trends of related research. Therefore, this journal presents a Special Issue on the topic of "Industrial Education". Everyone is welcome to contribute.

## About the Journal

### Message from the Editor-in-Chief

From its first issue in 2011, *Education Sciences* (ISSN 2227-7102) has grown as a scholarly international open access journal. Its aim remains to publish extended full-length research papers that have the scope to substantively address current issues in education. As a member of the Committee on Publication Ethics (COPE), our goal has been to disseminate high quality research. Our publisher, MDPI, takes the responsibility to enforce a rigorous double-blind peer-review together with strict ethical policies and standards to ensure to add high quality scientific works to the field of scholarly publication.
