## About the Journal

### Message from the Editorial Board

The journal offers an integrating approach to the disciplines it addresses, highlighting the role of health as a transversal axis in educational and psychological processes, present in human development, throughout the life cycle. *European Journal of Investigation in Health, Psychology and Education* (ISSN 2254-9625) is a peer-reviewed scientific journal that publishes original articles and systematic reviews or meta-analyses related to research on human development throughout the life cycle. It is a journal of the University Association of Education and Psychology and is published monthly online by MDPI.
