Message from the Guest Editors

Dear Colleagues,

Electronics was founded in 2011. We are proud and excited to celebrate the 10th anniversary of the journal. On this occasion, this Special Issue is being launched to invite members of the Editorial Board, acknowledged reviewers and outstanding authors. The aim is to celebrate this important anniversary of the journal through exceptional papers fully dedicated to innovative technologies in networks and their advanced applications. Academic editors and top authors will be invited to submit high-quality papers to this Special Issue.

The subject areas of interest include, but are not limited to, the following:

Deadline for manuscript
submissions:

closed (31 December 2021)

- Wireless communication and systems;
- Computer networks;
- Internet of Things and smart cities;
- Pervasive computing and smart spaces;
- Distributed system networking, cloudification and services;
- Connected and autonomous vehicles—land, water and sky;
- Mobile networking and computing;
