# Selected Papers from 2021 International Conference on Information Technologies

Guest Editors:

#### Dr. Nikolay Hinov

Faculty of Computer Systems and Technologies, Department of Computer Systems, Technical University in Sofia, 8 Ohridski Blvd., 1000 Sofia, Bulgaria

#### Prof. Dr. Radi Romansky

Department of Electronics, Computer Systems and Technologies, Technical University of Sofia, 1000 Sofia, Bulgaria

Deadline for manuscript submissions: closed (31 August 2022)

## Message from the Guest Editors

InfoTech is an international forum for scientists, researchers and industrial experts, to share innovations, experience and new research results in the fields of information technologies and information security; technological aspects of e-governance and data protection, etc. The forum is a successor of the International Conference on Systems for Automation of Engineering and Research (SAER), established in 1987 and International Workshop on e-Governance and Data Protection (EG&DP), established in 2005.

The main focus of the conference is the application of information and communication technologies for the sustainable development of various and diverse spheres of society—industry, social and corporate governance, high technology, education, military affairs, ecology.

### Keywords

- information technologies
- information security
- networking and communication technologies
- intelligent systems and applications
- technologies for system design and investigation
- technological aspects of e-governance and privacy

## Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guest-edited by leading experts in selected topics of interest.

# **Author Benefits**

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions. **High Visibility:** indexed within Scopus, SCIE (Web of Science), CAPlus / SciFinder, Inspec, Ei Compendex and other databases. **Journal Rank:** JCR - Q2 (Engineering, Electrical and Electronic) / CiteScore - Q1 (Electrical and Electronic Engineering)
