10th Anniversary of Electronics: Recent Advances in Computer Science & Engineering

Message from the Guest Editors

It has now been ten years since the first paper was published in Electronics back in 2011. It has been a rocky road with many highs and many lows, but we are extremely proud to have reached this very important milestone of the 10th anniversary of the journal. To celebrate this momentous occasion, a Special Issue is being prepared which invites both members of the Editorial Board and outstanding renowned authors, including past editors and authors, to submit their high-quality works on the topic of “Computer Science & Engineering”.
