

## Special Issue

# Image Processing and Pattern Recognition

### Message from the Guest Editors

This Special Issue aims to provide a platform to publish recent original research, review papers, or surveys in the state of the art of theoretical approaches and applications of image processing and recognition.

Topics of interest to this Special Issue include, but are not limited to, the following:

- Image enhancement, restoration, and reconstruction;
- Mathematical methods in image acquisition, processing, and analysis;
- Filtering techniques;
- Multiresolution processing;
- Image compression;
- Feature detection and matching;
- Image segmentation;
- Image registration;
- Object classification and recognition;
- Motion analysis;
- Machine learning and deep learning techniques for image processing;
- Statistical image recognition;
- Biologically inspired methods for image processing and classification;
- Applications.

## About the Journal

### Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guest-edited by leading experts in selected topics of interest.

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), CAPus /  
SciFinder, Inspec, Ei Compendex and other databases.

#### Journal Rank:

JCR - Q2 (Engineering, Electrical and Electronic) /  
CiteScore - Q1 (Electrical and Electronic Engineering)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.8 days after submission; acceptance to publication is undertaken in 2.4 days (median values for papers published in this journal in the first half of 2025).
