

## Special Issue

# Future Trends and Challenges of Ubiquitous Computing and Smart Systems, 2nd Edition

### Message from the Guest Editors

The era of ubiquitous computing and smart systems has already begun. With the growing trend in the IoT and sensor devices, many smart applications are already enriching our lives. However, there are still many issues that require their further widespread deployment.

Therefore, this Special Issue focuses on discussing the future trends and challenges of ubiquitous computers and smart systems. Potential topics of interest include, but are not limited to:

- Ubiquitous computing;
- Smart intelligent systems;
- Advanced networks;
- Big data systems;
- Computational intelligence;
- Smart pattern recognition;
- Sensors, IoT and liot;
- Smart image processing;
- Machine learning;
- Multimedia systems.

### Guest Editors

Dr. Namgi Kim

School of Computer Science and Engineering, Kyonggi University,  
Suwon 16227, Republic of Korea

Dr. Ahyoung Lee

Department of Computer Science, Kennesaw State University, Marietta,  
GA 30060, USA

### Deadline for manuscript submissions

15 November 2025

## About the Journal

### Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guest-edited by leading experts in selected topics of interest.

---

### Editor-in-Chief

Prof. Dr. Flavio Canavero

Department of Electronics and Telecommunications, Politecnico di  
Torino, 10129 Torino, Italy

---

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), CAPus /  
SciFinder, Inspec, Ei Compendex and other databases.

#### Journal Rank:

JCR - Q2 (Engineering, Electrical and Electronic) /  
CiteScore - Q1 (Electrical and Electronic Engineering)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.8 days after submission; acceptance to publication is undertaken in 2.4 days (median values for papers published in this journal in the first half of 2025).
