# **Special Issue**

# Advances in Photonic, Optical and Microwave Communications

## Message from the Guest Editors

The aim of this Special Issue of *Electronics* is to present state-of-the-art investigations in various photonic, optical and microwave communication technologies for current and future applications. We invite researchers to contribute original and unique articles, as well as sophisticated review articles. Topics include, but are not limited to, the following areas:

- Optical and microwave technologies for telecommunication;
- Fibers and propagation physics;
- Self-written wavequides:
- Waveguide and optoelectronic devices;
- Encryption and decryption in communication systems;
- Flexible fiber optic imaging guides;
- Fiber optic technology in telecommunications;
- Optical signal/image processing;
- Microwave and optical sensing;
- Photonic integrated circuits:
- Sensor network communications:
- Optical wireless communications;
- Convergence of optical and wireless access networks.

## **Guest Editors**

Dr. Ra'ed Malallah

School of Electrical and Electronic Engineering, University College Dublin, D04 V1W8 Dublin, Ireland

Dr. Inbarasan Muniraj

Department of Science and Technology, Alliance University, Anekal, Bengaluru 562106, India

## Deadline for manuscript submissions

closed (15 September 2023)

## **About the Journal**

## Message from the Editor-in-Chief

Electronics is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guestedited by leading experts in selected topics of interest.

#### Editor-in-Chief

Prof. Dr. Flavio Canavero

Department of Electronics and Telecommunications, Politecnico di Torino, 10129 Torino, Italy

## **Author Benefits**

## **High Visibility:**

indexed within Scopus, SCIE (Web of Science), CAPlus / SciFinder, Inspec, Ei Compendex and other databases.

#### Journal Rank:

JCR - Q2 (Engineering, Electrical and Electronic) / CiteScore - Q1 (Electrical and Electronic Engineering)

## **Rapid Publication:**

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.8 days after submission; acceptance to publication is undertaken in 2.4 days (median values for papers published in this journal in the first half of 2025).
