

## Special Issue

# Research Progress of Machine Learning and Pattern Recognition Application

### Message from the Guest Editor

In this Special Issue, we look for new contributions, including theoretical issues and applications of the discipline. Topics of interest include all aspects of algorithms and models for machine learning and pattern recognition, including but not limited to the following detailed list:

- Machine learning and data mining
- Open world robust pattern recognition
- Intelligent systems
- Document and media analysis
- Biometrics, human analysis, and behavior understanding
- Signal processing for pattern recognition solutions
- 2D/3D object detection and recognition
- Image and video analysis and understanding
- Machine learning for systems
- Efficient model training, inference, and serving

---

### Guest Editor

Dr. Qian Yin

School of Artificial Intelligence, Beijing Normal University, Beijing 100875, China

## About the Journal

### Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guest-edited by leading experts in selected topics of interest.

---

### Editor-in-Chief

Prof. Dr. Flavio Canavero

Department of Electronics and Telecommunications, Politecnico di  
Torino, 10129 Torino, Italy

---

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), CAPlus /  
SciFinder, Inspec, Ei Compendex and other databases.

#### Journal Rank:

JCR - Q2 (Engineering, Electrical and Electronic) /  
CiteScore - Q1 (Electrical and Electronic Engineering)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is  
provided to authors approximately 16.8 days after  
submission; acceptance to publication is undertaken in 2.4  
days (median values for papers published in this journal in  
the first half of 2025).
