

## Special Issue

# Network and Information Security

### Message from the Guest Editors

In this Special Issue, we are pleased to invite front-line researchers and authors to submit original research and review articles on topics related to network and information security. Potential topics include the following:

- Cybersecurity and Internet of Things;
- Security of artificial intelligence;
- Cyber-physical systems;
- Security and privacy;
- Security of system architecture and design;
- Security algorithms;
- Cryptography and network/information security;
- Mobile system security;
- Cloud computing security;
- Protocols, systems, computers, and security;
- Quantum computing and cybersecurity;
- Post-quantum cryptography and security;
- Privacy-preserving protocols and design.

Researchers working in the fields of network and information security and privacy are encouraged to submit original research papers. We look forward to receiving your contributions.

## About the Journal

### Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guest-edited by leading experts in selected topics of interest.

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), CAPus /  
SciFinder, Inspec, Ei Compendex and other databases.

#### Journal Rank:

JCR - Q2 (Physics, Applied) / CiteScore - Q1 (Electrical and  
Electronic Engineering)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is  
provided to authors approximately 16.4 days after  
submission; acceptance to publication is undertaken in 2.4  
days (median values for papers published in this journal in
