

## Special Issue

# Power Converters Technologies in Power Electronics

### Message from the Guest Editors

Power converter technologies play a key role in power systems and can be found in a wide range of applications. This Special Issue is intended to address the latest developments and future trends in power converter technologies and advanced control methods in power electronics applications. keywords:

- Power electronics
- Power converters
- Power converter technologies in electric motor drives
- Power converter technologies in electric vehicles
- Power converter technologies in microgrids
- Power converter technologies in renewable energy systems
- Control of power converters
- Model predictive control of power converters
- Multilevel converters
- Pulse width modulation schemes

*Welcome to contribute.*

---

### Guest Editors

Dr. Mehdi Narimani

Department of Electrical & Computer Engineering, McMaster University, Hamilton, ON L8S 4L8, Canada

Dr. Apparao Dekka

Department of Electrical Engineering, Lakehead University, Thunder Bay, ON P7B 5E1, Canada

---

### Deadline for manuscript submissions

closed (30 November 2021)

## About the Journal

### Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guest-edited by leading experts in selected topics of interest.

---

### Editor-in-Chief

Prof. Dr. Flavio Canavero

Department of Electronics and Telecommunications, Politecnico di  
Torino, 10129 Torino, Italy

---

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), CAPus /  
SciFinder, Inspec, Ei Compendex and other databases.

#### Journal Rank:

JCR - Q2 (Engineering, Electrical and Electronic) /  
CiteScore - Q1 (Electrical and Electronic Engineering)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.8 days after submission; acceptance to publication is undertaken in 2.4 days (median values for papers published in this journal in the first half of 2025).
