

## Special Issue

# Selected Papers from the 5th International Symposium on Multimodal Transportation

### Message from the Guest Editors

The 5th International Symposium on Multimodal Transportation (ISMT 2023) will be held on July 19–21, 2023, in the warm and wonderful city of Dalian, China. It will unite the International Symposium on Multimodal Transportation (ISMT) Organizing Committee and the Multi-modal Transportation Branch, Chinese Society of Optimization, Overall Planning, and Economical Mathematics. The proposed topics include but are not limited to, the following:

- World trends, changes, and best international practices in intelligent transportation systems;
- Blockchain technology application in transportation and logistics;
- Big data analytics in freight transportation;
- Digital twins in transportation and logistics;
- Urban mobility modeling and optimization;
- Connected and autonomous vehicles;
- Drones and robots in urban logistics delivery systems;
- Digital transformation in logistics and supply chain management;
- Integration of freight transport and mobility as a service (Maas);
- Integrated transportation system;
- Intermodal freight transport;
- Traffic control.

### Guest Editors

Prof. Dr. Peng Jia

Prof. Dr. Zhongyi Zuo

Dr. Zixuan Peng

Dr. Wenyang Wang

### Deadline for manuscript submissions

closed (15 January 2024)

## About the Journal

### Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guestedited by leading experts in selected topics of interest.

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), CAPlus /  
SciFinder, Inspec, Ei Compendex and other databases.

#### Journal Rank:

JCR - Q2 (Engineering, Electrical and Electronic) /  
CiteScore - Q1 (Electrical and Electronic Engineering)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is  
provided to authors approximately 16.8 days after  
submission; acceptance to publication is undertaken in 2.4  
days (median values for papers published in this journal in  
the first half of 2025).
